

TYSON & MENDES

UNPARALLELED SERVICE | UNBEATABLE RESULTS

To our Clients, Colleagues, and Friends:

Tyson & Mendes is committed to providing unparalleled client service. This is true even at a time when the entire world is in a state of uncertainty. We take seriously the health and safety of our employees, their families, and the communities of our 10 nationwide offices. Tyson & Mendes is closely monitoring updates from, and acting in compliance with the CDC, the federal government, and all state and local recommendations affecting our offices. While this may mean closing some or all of our physical offices, the firm remains fully operational with most of our 150+ attorneys and staff working safely from home.

In addition, the firm has taken steps to ensure the security and efficiency of our remote work. We have enhanced our remote servers to accommodate more users, and we have implemented extra security software and strict user guidelines to ensure client security is protected.

While this is a difficult time for everyone, you and your insureds can rest assured we are working around the clock to keep our services operating as smoothly as possible, while keeping everyone safe. We will get through this together!

If you have any questions, please do not hesitate to contact me.

Thank you,
Bob Tyson
